

Super Easy Caramel Corn - A Delicious Fall Treat

Makes 8 servings

- 1/2 cup popcorn kernels
- 1/2 cup brown sugar
- 1/2 cup sugar
- 1 cup butter (no substitutions)
- 1/2 cup light corn syrup
- 1 teaspoon vanilla extract
- 1 cup chopped nuts (optional)

1. Pop popcorn kernels in an Air Popper or on the stove (with a bit of oil)
 2. Place butter in a large bowl and melt in the microwave
 3. Add brown sugar, sugar and corn syrup and stir well
 4. Microwave 4 minutes, add vanilla and microwave 2-3 more minutes
 5. Pour mixture over popcorn in a LARGE bowl and mix (add nuts at this time if desired)
 6. Spray a large pan (such as a broiler pan) with Pam and pour caramel corn into the pan.
- Enjoy - can be eaten warm or cool.
